Urban Community School

"Great Art: Little Artists"

The halls of Urban Community School were adorned with paintings, drawings, prints and other artistic student creations for The UCS Art GALA (*Great Art: Little Artists*). The event featured conversations with some of the artists, a live auction of catered dinners, designer merchandise, get-

aways and a silent auction of student artwork. Guests also "made their impression on UCS" by creating clay imprints of their thumbs which will be incorporated into a tile mosaic that will be displayed in the school hallways. **STORY AND PHOTOGRAPHS BY JOHN BASHIAN**
