

UCS ATHLETICS - CLUB SPORTS & SKILL-DEVELOPMENT PROGRAMS

UCS students have the opportunity to participate in athletic enrichment programs through partner organizations and community supporters.

Tryouts for [Urban Squash Cleveland](#) are open to all UCS students in grades 4-8.

Practices:

- Practice begins in October
- Practices take place twice a week at the Urban Squash Cleveland Youth Development Center

Squash:

- Through regular squash practice and competitions, students' passion for the sport helps them develop healthy habits, endurance, coordination, physical and mental awareness, hard work and discipline. The fascinating game is a wonderful vehicle that helps open doors and connects our team with meaningful opportunities.

Academics:

- Students receive homework help, literacy development, ACT & SAT tutoring, and college support to help them pursue personally meaningful post-secondary opportunities.

Enrichment:

- Team members participate in community service, field trips, internships, camps, and travel to cities and colleges across the country as they form relationships with mentors and volunteers.

If you have any questions about the UCS athletic program, please contact Chris Tipton at ctipton@urbancommunityschool.org.
