### **Can I visit during the first two weeks of school?**

First Two Weeks of School:

Parents are welcome to walk their child/ren to their classrooms with the hopes that the students will learn the routine within the first two weeks of school and they can make their way independently or with assistance from a UCS staff member.

We welcome parents/guardians to visit and spend time in the classrooms. However, after the first two weeks of school it is policy for visitors to sign in at the front office and wear a visitor badge.

### **Where can I park?**

Please DO NOT park your car in the circle lot and walk children into the building. There are many parking spots around campus that can be used, while not causing a disruption in the flow of traffic.
